**How to find us:**

From crossroads/traffic lights, Lymington Road (A337), Barton Court Rd & Barton Court Avenue, continue on main road towards Lymington. Take first on right into Becton Lane, past Durlston Court School on right.

As Becton Lane nears the sea front the road dips and Longmeadow is on the right. The Dog House is the green building on the meadow with our Logo on it.

See you there!

The Friendly Dog Club is lucky enough to have its own premises at Long Meadow Barton on Sea with special non slip flooring and all our training equipment to hand.
